

Commissioner for Patents
United States Patent Application No. 10/802,326

REMARKS

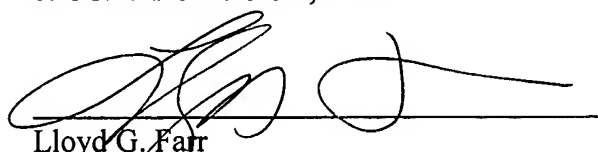

Applicant encloses Figures 1-20 for the above-referenced application.

The Notice of Allowance required submission of formal drawings. Applicant notes, however, that formal drawings were filed with the U.S. Patent and Trademark Office on March 2, 2005. A copy of the stamped return receipt postcard, dated March 7, 2005, is enclosed. Accordingly, Applicant objects to the request to re-submit the drawings and encloses drawings herewith for convenience of the Office.

It is submitted that the present response requires no additional search and that the present application remains in condition for allowance. Favorable action is, therefore, respectfully requested. The Examiner is invited to telephone the undersigned at his convenience should any issue remain after consideration of the present response.

Respectfully submitted,
